善學晨曦行動

由善學慈善基金創立，創辦人為趙善警先生及趙曾學韜 BBS太平紳士，主要在香港扶助有特殊教育需要 (SEN) 的學童及其家庭。

善學慈善基金與醫療團隊緊密合作，為有需要的學童進行評估，並因應情況轉介至心理輔導和治療。

我們希望增加對SEN學童、SEN青年及其家庭的支援，持續地評估項目成效，貢獻社區。

Sheen Hok Rising Sun Project is one of the main programs launched by Sheen Hok Charitable Foundation, which is co-founded by Mr. Louis Chiu and Prof. Alice Chiu, BBS, JP. Rising Sun Project aims to support underprivileged children and youth with Special Educational Needs (SEN) and their families in Hong Kong.

Sheen Hok Charitable Foundation partners up with a team of professionals comprising of child and adolescent psychiatrists, clinical psychologists and therapists, to provide the suspected students with free assessment. Counselling and therapies would be referred accordingly.

We strive to serve the community through providing more support to children and youth with SEN, as well as their families with continuous program review.
